

PRIME ELITE

CAPABILITY STATEMENT

MISSION STATEMENT

PRIME ELITE SERVICES is committed to providing confidential and professional security and investigation services to individuals, corporations, and communities in this rapidly changing world. Your security is vital, and we take that responsibility seriously.

ABOUT SECURITY

Established in 2017, Prime Elite Services takes a unique approach to providing protective service. We employ active strategies that mitigate risk. Our security partners are professional, certified, licensed, insured, and bonded. We have extensive experience in hostile environments. Our use of elite security professionals and our task record for providing top-notch service in local markets give us the edge over our competitors.
